

Why GPT Space&Co

Simple

We have simplified the workplace experience to let you focus on what matters most: your business. You'll have access to GPT Space&Co locations around the country, complete with a dedicated concierge team, catering options and the latest plug and play tech. Just turn up and get on with your day.

Flexible

GPT Space&Co lets you flex as you need with a range of options. Whether you require a space for project meetings, workshops, boardroom sessions, or events. You can utilise a range of thoughtfully designed spaces across your day, giving you focus when you need it or buzz when you want it.

Sustainable environment

Make an impact. We're always working toward a safer and more sustainable future. All our spaces target the highest green ratings, so you can be confident your workplace aligns with your company values. Together, taking action to protect our environment.

Connected

GPT Space&Co puts you in the middle of the CBD - close to transit links, must-visit cafes and the city's professional scene. You'll be joining a vibrant like-minded community in spaces specially designed for people to connect and collaborate. We know exciting things happen when you put great minds together.

The More you Meet, the More you Save

Boost your savings with our advanced-booking packages and enjoy our comfortable meeting spaces for any event at any of our locations

Designed to offer additional value by purchasing meeting room credit upfront, you can unlock up to 50 percent more value!
